

**City of Memphis and Shelby County  
Community Redevelopment Agency (CRA)**

**Need:           Cleaning Services (Approx. 2 Hours per week)**

**CRA Mission and Goals**

The City of Memphis and Shelby County Community Redevelopment Agency (CRA) was established to be a catalyst for the restoration of communities through removing blight and providing affordable housing. The CRA serves as a joint agency of Shelby County and the City of Memphis and was set up as an organization in 2017.

Our community-based approach to the redevelopment of neighborhoods needing reinvestment relies on Tax Increment Financing (TIF) as an important and strategic tool for implementing the goals of the agency.

**Description of Needed Services**

The CRA has need of around two hours of light office cleaning services each week. Days and times are flexible, but would need to be during working hours when a staff member is present to allow access to the building.
